Dear Parents/Guardians,

Welcome to the new monthly Ennis Educate Together newsletter. The newsletter will include important information, reminders of dates and any information you might need as a parent. It will also feature photos from the classes and give you an insight into your child's learning here at EETNS. We hope you enjoy it!

Trina Golden

Principal's Corner

Welcome back everyone for our 2018/2019 school year, and a warm welcome to all our new students this year. We've had a great start to the year and it's been lovely to meet all our students and parents. A few things to note:

- We will be closing enrolment on the 28th September. If a child has not attended school by that Friday, we will not be able to accept them for the 2018/2019 school year.
- We have some updated policies which you can view on our website www.eetns.ie. We will add to this as our policies are updated. Please take the time to have a look at them, and let us know if you have any questions.
- We would love to get more parents involved in school activities. If you are interested in coming into school to work with the children, please get in touch with our Home School Liaison, Mary, and let her know.
