Dear Parents/Guardians,

As we come to the end of Term 1 2018/2019, we're reflecting on a very successful term here at Ennis Educate Together. A term full of learning, trips, events and some new initiatives. We hope all our students had as wonderful an experience this term as we had and we look forward to what's to come next term. For now, take the time over the holidays to rest, recharge and come back to us ready to go again.

Merry Christmas and Nollaig Shona to those celebrating. We wish all our students & families a warm and happy holiday.

Principal's Corner

And before we know it, a full term done! It has been a very enjoyable term for me, getting to know all the wonderful boys and girls and their families. A few bits to note from me:

- We have applied to open an ASD class in September 2019. The application is dependent on numbers and interest. If you know anyone with a diagnosis of ASD looking for a place, please ask them to contact the school.
- We have done a full review of our Code of Behaviour. We welcome parent input before the Code is ratified by the Board of Management in January. Once ratified, all parents will need to sign the code.
- A huge thank you to the amazing staff here at Ennis Educate Together. Their hard work and dedication this term has been incredible to see. They are a credit to the school. Here's to a wonderful 2019 for everyone.
