

Ennis Educate Together Agreed Report

April 28th 2021

Parents will soon be able to view our lovely classrooms on our new enrolment video. Keep an eye on social media!! Everything is going smoothly since our return after Easter. Many thanks to parents for their co-operation with our Covid measures.

The whole school staff will receive 'Nurture in Schools' training on May 25th. Our allocation of Special Education Teachers will remain the same next year. Many thanks to Clare Crusaders who will be providing support to seven of our pupils.

The Cash for Clobber initiative raised €184 which has been spent on gardening tools. The garden and grounds are looking splendid already! Our recent Cake Sale raised €384 which is being used to purchase new PE equipment. Many thanks to everyone for your support. We also plan to have a Cube Challenge as part of Active Week on June 15th.

Here in Educate Together we value 'the student voice' Recently the principal spoke to the senior classes about the importance of school identity, culture and how decisions they make can influence the future of our school. The pupils got to experience democracy in action as they voted for the colours for our school crest. As voted by our students our new crest is:

The web designer currently developing our new site will use our pupils' choice of colours!

Standardised testing in literacy and numeracy takes place on May 18th-20th and May 25th-26th respectively. Finally, two events to look forward to: Active Week on June 14th-18th and Sports Day on June 17th.
